Action items	Person responsible	Deadline
✓ Finish Figma	Vraj Shah	12/5/22
✓ Finish Slides	Isaiah Bartlett, Nicholas Digioia-Celentano	12/5/22

Conclusions:

In this meeting, we went over our progress of our final presentation, and set ourselves up for presentation date coming soon. We will be presenting the slides to the class to go over some of the pros and cons of using SaaS in healthcare, and then showing off our Figma to show the class how the website should be designed to optimize the user experience.
